

Office of the Registrar
VIDYASAGAR UNIVERSITY

Midnapore - 721 102.

Dated : 29.05.2025.

NOTIFICATION

It has been observed that plastic bottles and other various plastic materials are being used in large quantities and those are being thrown away here and there in the Campus resulting in the campus is being polluted although Vidyasagar University Campus is declared as a Plastic Free Zone. Besides this, the State Government has also taken various steps to stop using plastic several times. To avoid this type of pollution and also to honour the steps taken by the State Government in this regard, steel bottle or glass bottle may be used in the University Campus.

In connection with the above, all stakeholders of this University and others are requested to kindly refrain from using of plastic bottles and other plastic materials in the University campus as far as possible.

This notification is issued with the approval of the competent authority.

Sd/-
(Dr. J. K. Nandi)
Registrar.
