VIDYASAGAR UNIVERSITY

P.O. : Vidyasagar University, Midnapore - 721 102, Dist.: Paschim Medinipur,
West Bengal, INDIA.

Date: 28.10.2026

NOTIFICATION

It has been directed by the Hon'ble Vice-Chancellor to notify for general information of all concerned employees residing in the residential quarters / hostels of Vidyasagar University that owing to the complex design and structural layout of the residential quarters / hostels, the quality and coverage of the existing Central Wi-Fi facility in individual rooms have not been satisfactory. Several residents have reported this issue, and the matter has been under active consideration by the University Authority.

After due consideration, the University Authority has resolved as a policy measure, to provide a LAN connectivity point with a dedicated Static IP address in each residential quarter/ hostel unit. Residents may use this facility according to their requirements, including connecting their own Wi-Fi routers to establish private Wi-Fi networks within their respective residential units.

Accordingly, under Phase I, LAN connectivity points will be provided to all residential quarters / hostels within the University Residential Campus. Residents will be permitted to use their own routers with the specific Static IP address allocated by the University. The existing Central Wi-Fi facility, supported by the current infrastructure in the residential quarters, will be gradually phased out in due course. The work under Phase I is tentatively scheduled to commence from 28th October 2026.

All residents are requested to extend their kind cooperation and support during the implementation of the work, particularly in facilitating the necessary technical activities inside their respective residential quarters. For any further queries or information, residents may contact at the Office of the Computer Centre.

All concerned are being informed accordingly.
This is issued with the approval of the competent authority.

Memo No. : VU/R/Noti./1792/2026 dated 28.10..2026
